Let there be life
Let there be peace
Let there be hope
Let there be justice
Let there be love for one another
And you
And me
And happiness
Together
Forever.

Reaching out for the future, Remembering the past . . .

When trying to discover what you want in life, when reaching out for answers and for help, and when wishing you could once again be three years old, try not to become discouraged . . .

"You are a child of the universe no less than the trees and the stars: you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive him to be. And whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all its shame, drudgery, and broken dreams, it is still a beautiful world."

Faculty

Dear Faculty:

As we leave SHS, we gradually become a little less secure. It's so hard to grow away from those whom we love and respect. It was through your patience and interest towards us as both individuals and class, that we have been able to work and expand. Because of you we have learned to do for ourselves, and care for others.

We owe so much to each and every one of you. Every faculty member of Stoughton High has, in some way, shaped our personalities and become a part of us.

JOSEPH H. GIBBONS
SUPERINTENDENT

Dear Members of the Class of 1973:

On the occasion of your graduation from Stoughton High School, I extend my congratulations to you and my best wishes for success and happiness in the years ahead.

Your graduation marks the culmination of years of self-disciplined effort to acquire the knowledge, the skills, and the values which are the marks of the educated man and woman. Although your own abilities and efforts are the indispensable elements of your achievements, your parents and guardians also must be honored on this occasion for the many sacrifices they have made for your welfare.

Now you will embark upon a new stage in your life-long effort at self-fulfillment. May you always be guided by the principles of scholarship and character that your parents and teachers have endeavored to inculcate in you during your years at Stoughton High School. I share with them feelings of pride in your accomplishments in the classroom, on the athletic fields, and in service to the community.

Having set a high standard for those who will follow you, you may now go on confidently to new challenges and achievements. I extend my sincere appreciation for the many contributions you have made as individuals and as a class.

Sincerely,

Joseph H. Gibbons

HIGH SCHOOL
PETER J. SPERANDIO, Ed. D.
PRINCIPAL

TO THE CLASS OF 1973

Congratulations. You have endured much to achieve this goal. The sacrifices you made should seem to be relatively insignificant compared to your success in the completion of your high school education. You can now look back upon the time and effort given to study, discussions and other activities with satisfaction.

However, this is only a step on the way through life. The future can be as rewarding as today. The road is not an easy one.

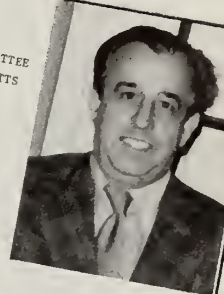

We hope that your experiences at Stoughton High School have equipped you to face the problems ahead. At times they may seem to be insurmountable. Rest assured that with an understanding of the issues, truth to direct you, determination to seek your goals and faith to guide you, there can be but one outcome - a fuller life for all of you.

May you enjoy happiness and prosperity in the years ahead.

Sincerely,

Peter J. Sperandio

STOUGHTON SCHOOL COMMITTEE
STOUGHTON, MASSACHUSETTS

To the Class of 1973:

It is a pleasure for me to congratulate you on your graduation from the Stoughton High School. The people of Stoughton have provided you with the opportunity to receive a fine education.

With the training you received, some of you will go to college. Others will go to work. I hope that all of you will be successful.

The quality of our Country depends largely upon the quality of its people. The quality of its people depends largely upon it receiving a good education. Your education, together with the courage to be honest in all of your experiences, will prepare you for a more satisfying life ahead.

Good luck to all of you.

Sincerely,

Seniors

The Class of 1973 will always be together, if not physically, at least in thought. We've shared too many experiences to ever completely forget. Years from now we'll remember these times, for we'll never really say good-bye.

We'll remember our freshman year, roaming through what seemed to be massive halls and endless lines . . .

We'll remember our sophomore year with the first Pizza Supper and our new class advisor . . .

We'll remember our junior year with our heavy class rings that we'd never take off; the simple melody of "Colour My World" . . .

We'll remember our senior year with senior pictures, yearbook ads, and that lighthearted feeling of just being *the seniors* . . .

Who can forget the laughter we shared so many times, and the tiny tears that we shed as well? Who can forget the aggravation and the problems which confronted us, and which we finally overcame—leaving us beaming smiles of satisfaction at our accomplishments?

Years from now, we may look back and say that we really pulled some crazy stunts. But we won't be sorry, because although we may leave SHS and each other . . .

We'll never really say good-bye.

PATTI SMITH

The many faces of Jim Clark . . .

The class of 1973 would like to thank a special man, who has been more than just a teacher and advisor to us. This man, has exhibited patience, understanding and trust throughout the past 3 years and has helped us learn the meaning of unity.

Mr. Clark, our class feels the dedication and devotion you have given us is beyond any thanks which mere words can express.

You have left us with the very best of memories, spirit and pride—Thank you, Mr. Clark.

COACHES OF THE YEAR

Mr. Bucklin, JV Basketball; Mr. Douglas, Girls' Basketball; Mr. Edmonston, Varsity Basketball; Mr. Cullen, Football; Mr. Green, Cross Country.

SHS Champions

This is a salute to Stoughton teams that have brought first place trophies to Stoughton and have honored us all . . . this tribute is also to those athletes who made first place possible . . . and to the coaches who have brought out the best in us.

Football is a tough sport to play . . . it includes, along with the glory, bumps and bruises . . . many tough games were played, but with great teamwork and effort our boys came through . . . Coach Cullen was named "Coach of the year" . . . Rich McCormick, Bob Gillpatrick, Ross Schubarth, Ralph Pollilio, and Bruce Bucklin were named to all-star teams.

Our cross country team also won the league title . . . Coach Green drilled his team into winners . . . Harry Crawford, Neal McGrail, Dave Soper, Mike Lonergan, and Bruce Young were the ones who enabled Stoughton to finish first always.

Three of our basketball teams won their league championship.

The girls basketball team led by Coach Douglas dominated their league . . . sparked by all-stars Janice McPherson and

Mary Cotter, the Knights beat Franklin twice in what one would call "must" wins.

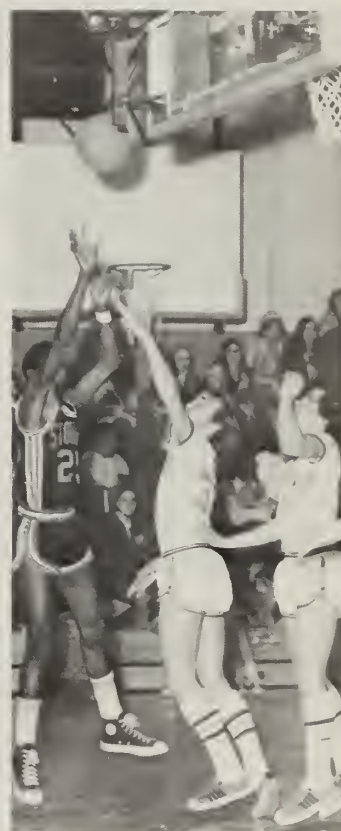

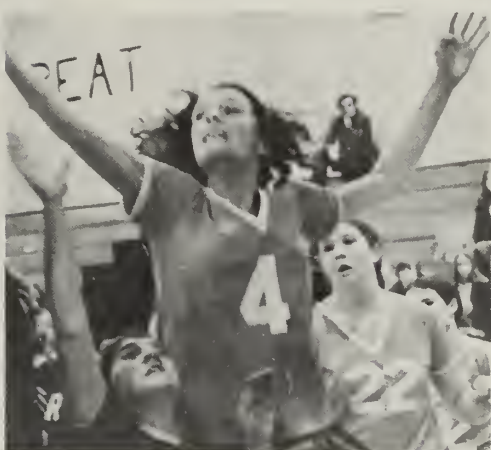

Chuckie James, Richie McCormick, and Dave Thompson were named to many basketball all-star teams . . . the Knights had the best season a Massachusetts high school team could have, winning all 20 games . . . John Denison, Bob Driscoll, and Chuckie Leonard also helped out the team in a big way . . . Coach Edmonston was named "Coach of the Year."

The JV basketball team followed in the Varsity footsteps as they also won . . . Coach Bucklin was the major cause of the championship . . . George McPherson and Billy Alexander helped the team from the floor.

Janice Staula in field hockey, John McGrail in Winter track, Randy White in wrestling and Mickey McKinnon in gymnastics won awards in their sports.

All together, 1972-73 is truly the year of champions.

We lived apart
But through the years, we came together
We grew, we planned, we laughed
There were sad times, too.
We learned what life is all about
And now we go our separate ways.
